RE: Moran for Kansas MUR 6972

Dear Mr. Jordan,

This writing is our response to your letter dated October 26, 2015 regarding the above referenced MUR 6972.

We timely filed the complete 409 page second quarter FEC Form 3 Quarterly Report which was timely delivered via Federal Express to the Secretary of the Senate (please see attached FEDEX document #1).

We became aware of the proposed FEC complaint on October 13, 2015. We immediately contacted Ryun Furman, our FEC reports analyst.

We advised Mr. Furman that, pursuant to a review of the online report, while the total filing consisted of 409 pages, only 201 pages are included in the online version. Mr. Furman stated he would follow up with the Secretary of the Senate's office to determine why only 201 pages are included in the online report.

We made several more follow up telephone calls with Mr. Furman. Each time he indicated he was working on follow up with the Secretary of the Senate processing center but did not have further guidance at that time.

Late in the day on October 15, 2015, Mr. Furman advised he did not know why the entire report was not uploaded for online viewing. He instructed us to send pages 202 through 409 and include the first four (4) pages of the FEC Form 3 Report. He advised this filing will be treated as an original filing and no further filing action would be necessary.

Page Two

We did in fact send the missing pages to the Secretary of the Senate on October 16, 2015 (please see attached FEDEX document #2). He also stated we could file the report online, but this would not excuse us from sending the missing paper pages to the Secretary of the Senate. We did obtain a passcode and also submitted the report online.

We can submit to you with absolute certainty that the uploaded "PCL XL error" page from the website (please see attached) was not generated by our office nor submitted to the Secretary of Senate office by our office.

To this day, we do not know why only 201 of our 409 page report was initially uploaded online.

Finally, we have been told by Ryun Furman, our FEC reports analyst, no further action is necessary regarding this matter. He stated the filings would all be considered "original" timely filed, not "amended".

We thank you for your kind attention and assistance with this matter. If you have any questions, please contact us.

Very truly yours,

MORAN FOR KANSAS
